

## § 1.1442-1

## 26 CFR Ch. I (4-1-12 Edition)

has reason to know that A entered into the fast-pay arrangement with a principal purpose of using the recharacterization rules of § 1.7701(l)-3(c) to reduce United States withholding tax. W must withhold at the 30 percent rate because the amount of withholding that applies to the payments determined under the form of the arrangement is higher than the amount of withholding that applies to the payments determined under § 1.7701(l)-3(c).

*Example 2.* The facts are the same as in *Example 1* of this paragraph (d) except that W does not know, or have reason to know, that A entered into the arrangement with a principal purpose of using the recharacterization rules of § 1.7701(l)-3(c) to reduce United States withholding tax. Further, the Commissioner has not exercised the discretion under § 1.7701(l)-3(d) to depart from the recharacterization rules of § 1.7701(l)-3(c). Accordingly, W must withhold tax at a 15 percent rate on the dividends deemed paid to the benefited shareholders.

(e) *Effective date.* This section applies to payments made (or deemed made) on or after January 6, 1999.

### § 1.1443-1 Foreign tax-exempt organizations.

(a) *Income includible in computing unrelated business taxable income.* In the case of a foreign organization that is described in section 501(c), amounts paid or effectively connected taxable income allocable to the organization that are includible under section 512 and section 513 in computing the organization's unrelated business taxable income are subject to withholding under §§ 1.1441-1, 1.1441-4, 1.1441-6, and 1.1446-1 through 1.1446-6, in the same manner as payments or allocations of effectively connected taxable income of the same amounts made to any foreign person that is not a tax-exempt organization. Therefore, a foreign organization receiving amounts includible under section 512 and section 513 in computing the organization's unrelated business taxable income may claim an exemption from withholding or a reduced rate of withholding with respect to that income in the same manner as a foreign person that is not a tax-exempt organization. See § 1.1441-9(b)(3) for a presumption that amounts are includible under section 512 and section 513 in computing the organization's unrelated business taxable income in the absence of reliable certification. See also § 1.1446-3(c)(3), applying this presumption in the context of section 1446.

(b) *Income subject to tax under section 4948—(1) In general.* The gross investment income (as defined in section 4940(c)(2)) of a foreign private foundation is subject to withholding under section 1443(b) at the rate of 4 percent to the extent that the income is from sources within the United States and is subject to the tax imposed by section 4948(a) and the regulations under that section. Withholding under this paragraph (b) is required irrespective of the fact that the income may be effectively connected with the conduct of a trade or business in the United States by the foreign organization. See § 1.1441-9(b)(3) for applicable presumptions that amounts are subject to tax under section 4948. The withholding imposed under this paragraph (b)(1) does not obviate a private foundation's obligation to file any return required by law with respect to such organization, such as
